

## **I. CONCRECIÓN DE LOS CONTENIDOS CURRICULARES. PROGRAMACIONES DIDÁCTICAS**

Los objetivos y contenidos de los distintos niveles son los que se recogen en el **Decreto 239/2007, de 4 de septiembre**, por el que se establece la ordenación y currículo de las enseñanzas de idiomas de régimen especial en Andalucía, de conformidad con lo dispuesto en el **Real Decreto 1629/2006, de 29 de diciembre**, por el que se fijan los aspectos básicos del currículo de las enseñanzas de idiomas de régimen especial reguladas por la Ley Orgánica 2/2006, de 3 de mayo, de educación, así como en la **Orden de 18 de octubre de 2007**, por la que se desarrolla el currículo correspondiente a las enseñanzas de idiomas de régimen especial de Andalucía.

Los niveles básico, intermedio, avanzado y C1 tendrán como referencia las competencias propias de los **niveles A2, B1, B2 y C1** del Consejo de Europa, según se definen en el **Marco Común Europeo de Referencia** para las Lenguas.

En la elaboración de las programaciones didácticas de los tres idiomas que se imparten en la Escuela Oficial de Idiomas de Ronda se concretan los contenidos curriculares para cada uno de los cursos que conforman los niveles: básico, intermedio, avanzado y C1 (en el departamento de inglés).

Estas programaciones generales quedarán aprobadas en el **Proyecto Educativo** – que forma parte del Plan de Centro- y serán de aplicación para el alumnado matriculado en las 3 modalidades que oferta esta escuela de idiomas para los alumnos de inglés: **presencial, libre y semipresencial**.

Con el fin de orientar a todo el alumnado y de facilitar una información clara y concreta, la Escuela Oficial de Idiomas Ronda pondrá a disposición del mismo y publicará en su página web la programación tanto para las modalidad presencial como para la modalidad libre y semipresencial.

### **PROGRAMACIÓN NIVEL C1**

Los objetivos y contenidos de C1 son los que se establecen en el Decreto 239/2007, de 4 de septiembre, por el que se establece la ordenación y currículo de las enseñanzas de idiomas de régimen especial en Andalucía, de conformidad con lo dispuesto en el Real Decreto 1629/2006, de 29 de diciembre, por los que se fijan los aspectos básicos del currículo de las enseñanzas de idiomas de régimen especial reguladas por la Ley Orgánica 2/2006, de 3 de mayo, de educación, así como en la Orden de 27 de septiembre de 2011, por la que se desarrolla el currículo correspondiente a las enseñanzas de idiomas de régimen especial de Andalucía.

El Nivel C1 se imparte en un solo curso, al final del cual se puede obtener el Certificado equivalente al nivel C1 del MCER. Al final del curso escolar se espera que el alumno pueda utilizar el idioma con flexibilidad, eficacia y precisión para participar en todo tipo de situaciones, en los ámbitos personal, público, académico y profesional que requieran comprender, producir y procesar textos orales y escritos extensos y complejos, en diversas variedades estándar de la lengua, con un repertorio léxico amplio, y que versen

sobre temas tanto abstractos como concretos, incluso aquellos con los que el hablante no está familiarizado.

La autonomía en el aprendizaje en este nivel será esencial, al verse reducido a un solo curso

académico, y alta, ya que los alumnos poseen las herramientas y conocimientos suficientes para poder avanzar con autonomía. Lo practicado en clase será sólo una base para alcanzar el nivel, debiendo el alumno buscar y aprovechar cualquier situación/contexto para poner en práctica y desarrollar las competencias adquiridas en clase. El Marco Común Europeo de Referencia para las Lenguas (MCER) incide en la necesidad de dedicar muchas horas para la consecución de este nivel, con lo que el Departamento de inglés advierte de que la asistencia a clase puede no ser suficiente y se requiere mucho tiempo de autoestudio y práctica por parte del alumnado.

Se recuerda que dado el carácter acumulativo del proceso de enseñanza-aprendizaje de un idioma

extranjero, son evaluables en un curso superior todos los contenidos y objetivos de los cursos inferiores

### 7.3.6 SECUENCIACIÓN Y TEMPORALIZACIÓN DE CONTENIDOS.

El nivel C1 se desarrolla en un total de 4,5 horas lectivas semanales. La secuenciación de contenidos se hará integrando los distintos tipos de contenidos (funcionales, fonéticos, gramaticales, léxicos, etc.). En clase se utilizará un libro de texto como guía principal para dicha secuenciación. Éste no es el único recurso que se utilizará en el aula para cubrir los contenidos, haciendo uso de una amplia gama de recursos reales de distintas fuentes: radio, televisión, películas, periódicos, revistas, blogs, etc. Al tratarse de un nivel que requiere gran parte de autoestudio del alumnado, la secuenciación trimestral de los contenidos la irá decidiendo y modificando el tutor según las necesidades y déficits del alumnado.
